

investigation, basic sniper training, basic SWAT training, civil rights training, instructor development certification, crimes against children training, and terrorism training. The Field Office has also sponsored police officers and police executives for advanced training schools at the FBI laboratory, the FBI academy, and international locations.

Special Agent in Charge (SAC) Debra K. Mack heads this office of more than 110 agent and professional support personnel. SAC Mack has oversight of all of the FBI's operational, investigative, and administrative matters as well as the technical operations and financial issues for the 36 counties comprising the southern half of the state of Alabama. In 2007, SAC Mack was inducted into the Louisiana Justice Hall of Fame, becoming the first ever FBI Special Agent to receive this honor.

The Mobile FBI Field Office has worked hard to protect the people of southwest Alabama. Its partnerships with municipal, county, and state law enforcement offices have resulted in the apprehension of drug-dealers, online child predators, kidnappers, fraudsters, and the forfeiture of assets in the millions of dollars.

Madam Speaker, I ask my colleagues to join with me in congratulating SAC Mack and all of those at the Mobile FBI Field Office on the FBI's 100th anniversary. For all their accomplishments, I extend my heartfelt thanks for their continued service to the people of Alabama and the First Congressional District.

RECOGNIZING THE 50TH ANNIVERSARY OF THE HUNTING HILLS SWIM CLUB

HON. ELLJAH E. CUMMINGS

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 11, 2008

Mr. CUMMINGS. Madam Speaker, I rise today to recognize the Hunting Hills Swim Club as they mark their 50th anniversary on June 14, 2008. Thanks to the generous donation by the Amos and Gundry families a patch of land that once was the home to pig farming, is now a local institution and home of the Hunting Hills Hammerheads.

In 1958, the pool opened for business as members agreed to foot the cost of the club by purchasing a bond that made them co-owners of the pool. It was one of the first bond-financed pools in Maryland. Today, bond-membership pools are the norm. Hunting Hills Swim Club helped establish that trend.

Recently the pool itself began showing its age. Undaunted by the time and cost needed to set things right, members agreed to take the plunge and rebuild the main pool and the baby pool. The perimeters of each were excavated. New pipes, skimmers and pumps were installed. The interiors were resurfaced and a new diving board was erected. Today, the pool looks better than ever.

More than 300 families are now members of the pool. They come from near and far—from Baltimore City, from Catonsville, from Ellicott City and elsewhere—to cool off and meet their summer- and year-long friends. Many of the current bondholders first arrived at the pool in strollers, learned to walk, learned to swim, went off to school and now bring their own children there. Today, nearly 100 children take swim lessons and compete in the Central Maryland Swim League Division V as members of the Hunting Hills swim team.

Madam Speaker, as the days get longer and warmer, it is nice to know that there are places where families and friends can gather to enjoy the summer as a community. I congratulate the Hunting Hills Swim Club on its 50th anniversary and wish all of its members the best in 2008.

HONORING RETIRING EDUCATOR
LARRY MYHRA

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 11, 2008

Mr. KIND. Madam Speaker, I rise today to pay tribute to an outstanding individual, and an excellent public servant: La Crosse educator, Larry Myhra.

The end of every school year brings the retirement of many terrific school leaders, teachers and staff members who provide a quality education for our children and replacing their professionalism and dedication is an annual challenge.

One such individual this year is Larry Myhra, who is retiring as principal of Lincoln Middle School after a distinguished 35-year career as principal, science teacher, and football coach in the La Crosse School District.

In 1973, Larry graduated from the University of Wisconsin-La Crosse and began his teaching career in the science department at old Logan High School. Throughout his 31 years at Logan High School, Larry served as the head football and track coach, assistant basketball coach, athletic director, activities director, dean of students, and associate principal. While serving as athletic director, Larry helped to broaden the program by adding various sports, including hockey and soccer, but later decided to become the activities director in order to better serve the entire student body. Larry was also an advocate for the creation of the La Crosse charter school, which helps students that are in danger of dropping out of school stay in school and graduate. This program has helped many students improve both their attendance and their grades.

When I was in high school, I had the pleasure of playing for Coach Myhra for 3 years at Logan. He instilled in his players and students a desire for dedication and determination both in and out of the classroom. I owe much of who I became in life to Coach Myhra and the educational system that was provided to me in La Crosse.

In 2004 Larry took up the position of principal at Lincoln Middle School, where he remained until now.
